EVE LINEN ONLINE START-UP BUSINESS - NATIONAL OPPORTUNITY

<https://www.ctoc.com.au>

Eve Linen is an online retail store which offers a new range of linen made from Drirelease™ technology. Eve Linen is the first Australian owned business to distribute wicking sheets to Australians. Wicking involves adapting the Capillary Action method to fabric; drawing liquid upwards through capillary tubes using forces with no assistance. It works against forces such as gravity. Eve Linen products are designed for...
